

SHEFSOLUTIONS

JOB PLACEMENT ASSISTANCE PROGRAM

**LAUNCHING CAREERS, BUILDING
FUTURES**

ABOUT THE PROGRAM

ShefSolutions Inc., the parent company of ShefSolutions LLC, is dedicated to providing comprehensive job assistance to students who complete their courses. With over a decade of experience in the recruitment industry, we understand the evolving job market and emerging industry requirements. This expertise ensures our courses are in high demand and tailored to meet industry standards, making students job-ready upon completion.

Our program bridges the gap between education and employment by offering career counseling, resume building, interview preparation, and direct connections to potential employers. We continuously update our curriculum to reflect the latest trends and skills sought by employers, ensuring our students are well-prepared and connected to numerous job opportunities. **We are proud to have an impressive placement rate of 80%,** demonstrating our commitment to student success.

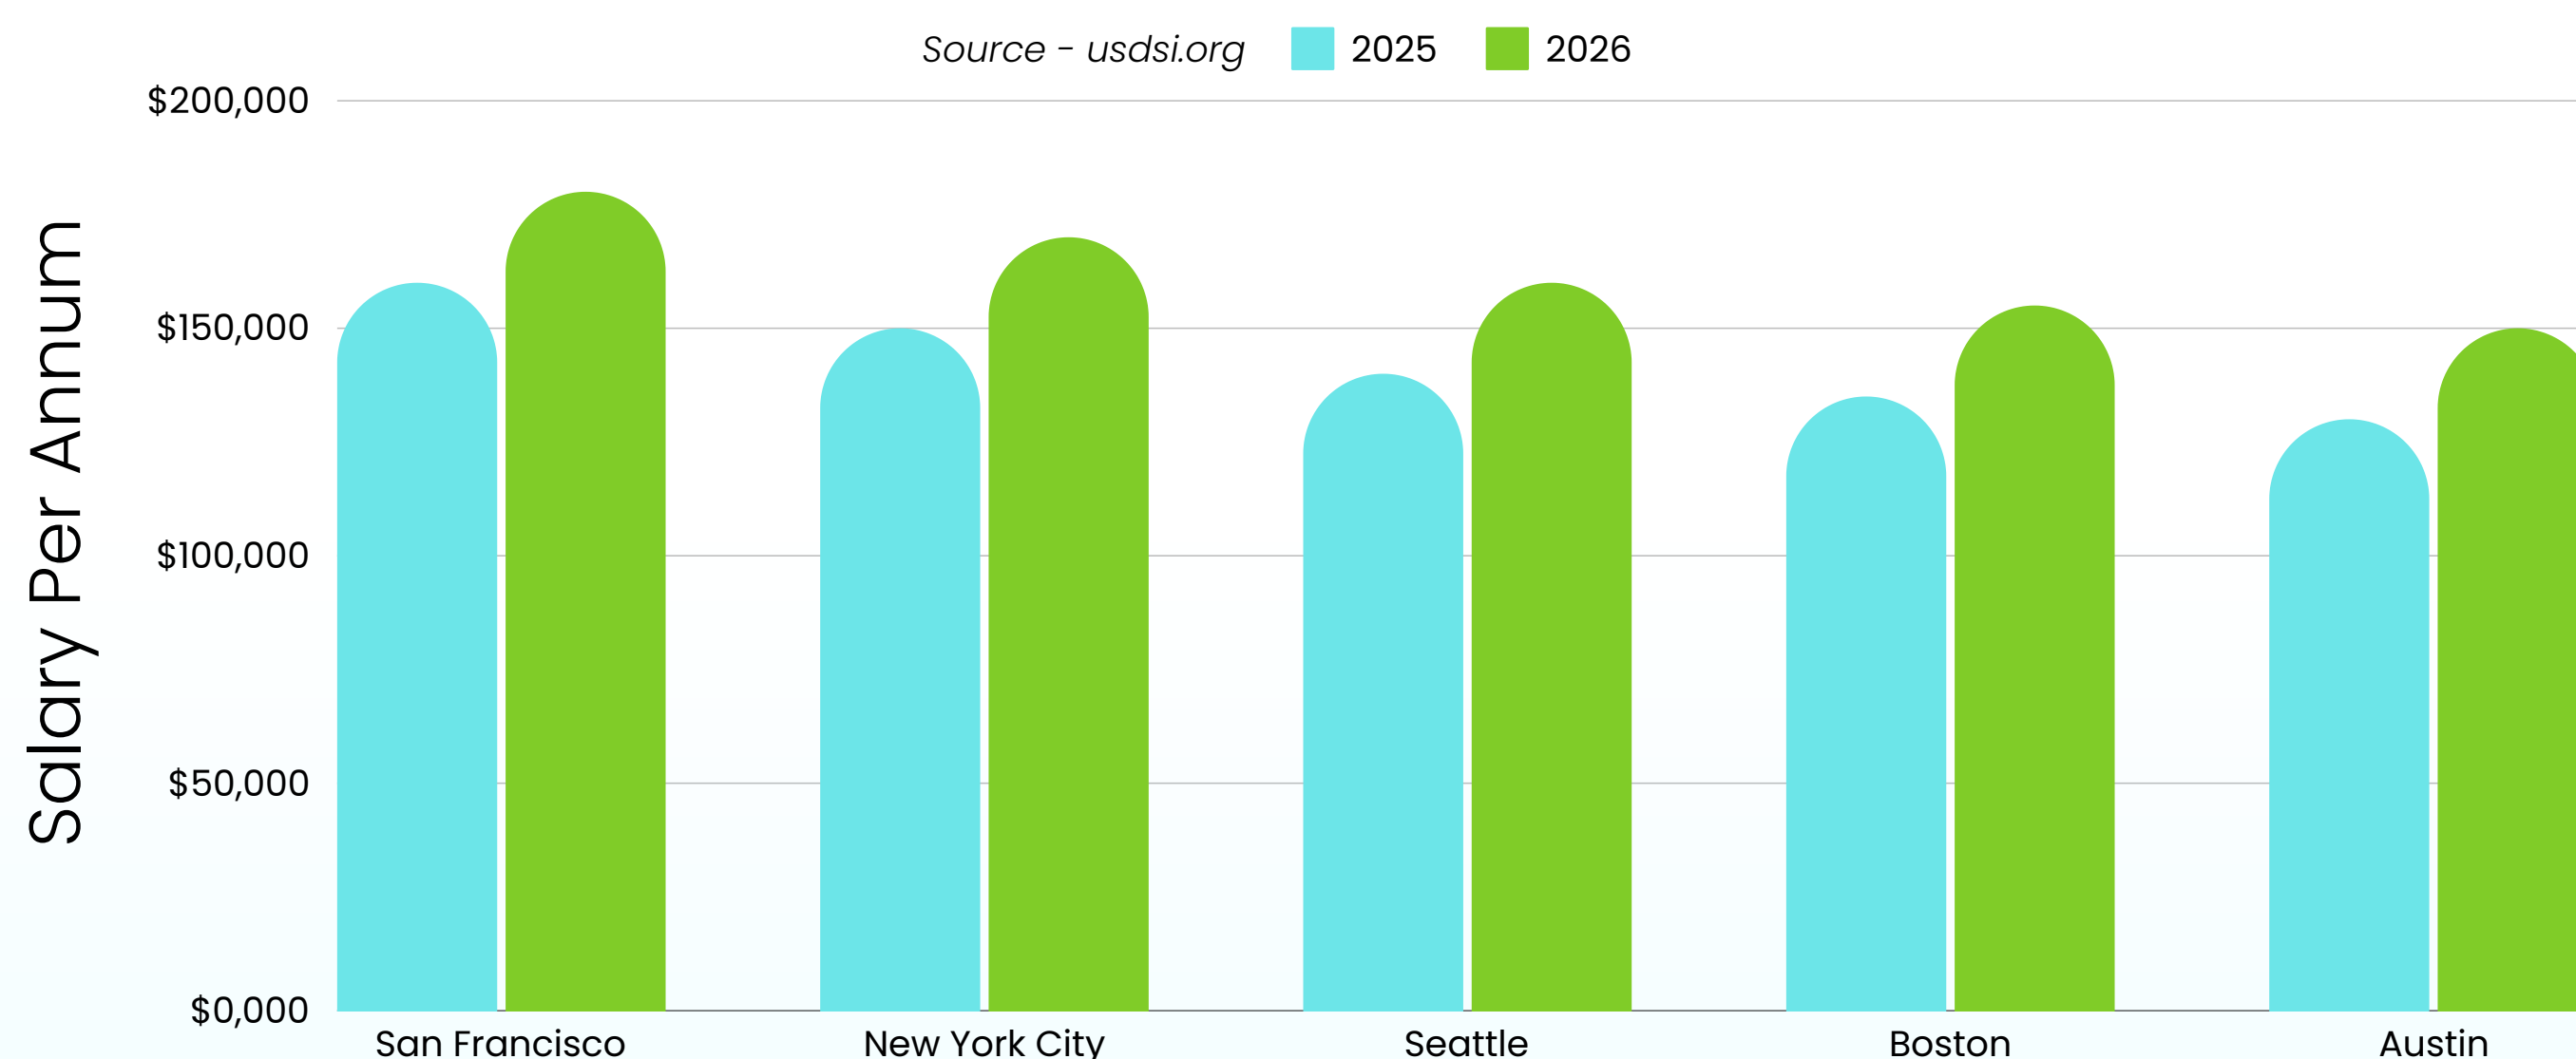

At ShefSolutions, we empower our students with the tools and resources they need to succeed in their careers. Our commitment to their success is unwavering, and we strive to provide an educational experience that opens doors to promising career paths. Through our dedicated efforts, we aim to make a significant impact on the lives of our students, helping them achieve their professional goals and aspirations.

CURRENT TRENDS IN DS,ML-AI JOB MARKET

In the U.S., Data Science, Machine Learning, and AI are booming, with a 36% job growth projected from 2023 to 2033, adding nearly 3 million jobs. Entry-level salaries range from \$70,000 to \$90,000, while experienced professionals can earn \$120,000 to \$160,000. High-demand roles include Machine Learning Engineers, Data Scientists, AI Research Scientists, and NLP Engineers. The integration of AI and ML is driving innovation and economic growth, highlighting the importance of acquiring these skills.

TESTIMONIALS

I am extremely pleased with the service and the responsiveness of the support team. They were incredibly attentive and helpful throughout the process. Thanks to ShefSolutions's job placement support, I secured my dream job!

-Darrel Green (Database Administrator)

I am Really impressed with the professional and timely response to all my queries and requests. The services provided by ShefSolutions Inc. have been outstanding, and I highly appreciate their dedication and support.

-Rahul Singh (Data Analyst)

The CV your team shared is far superior in terms of presentation compared to the one I created myself. I look forward to more such endeavors from your end.
Thanks and cheers!

-Patric Johnson (Project Manager)

I am extremely grateful for the support provided by ShefSolutions Inc. Their assistance has been incredibly helpful in shaping my career path. Thanks to ShefSolutions, I feel more confident and prepared for my future endeavors

-David Williams

After completing a comprehensive data science course, I transitioned from my 11-12 years of experience in Business Analysis to the field of Data Science. This shift proved to be immensely rewarding as I found my niche within this domain.

-Ekta Saxena(Sr. Data Analyst)

Enrolling in a data science course at shefsolutions proved transformative for my career. Completing the course led to a 100% salary hike and swift job transitions to JR Compliance and now NimbusPost, establishing my foothold in the data field.

-Aisha Khan (Incident Manager)

Awesome experience! I would rate ShefSolutions Inc. 5/5 for their exceptional service and support

-Emily Davis (Data Scientist Associate)

Enrolling in a cybersecurity course at proved transformative for my career. Completing the course led to a 100% salary hike and swift job transitions ,establishing my foothold in the cybersecurity field.

Juan Jose (Security Consultant)
